

## Supporting partnerships

We work with our 10 partner organisations at the local level to understand our community's needs and to ensure that people with complex needs don't fall through the system gaps.

Supporting mental health  
and wellbeing

PWR DL 4.4.18

The Partners in Recovery model adopts a recovery culture that encourages self-determination and self-management of mental health and wellbeing.

**Brisbane South PHN Partners in Recovery program works with people who meet all of the following criteria:**

- are over 25 years of age to 64 years
- have severe and persistent mental health issues
- have complex needs that require services from multiple agencies
- require substantial assistance to access the right services to meet their needs
- require help to organise the services already supporting their needs
- have no existing coordination arrangements in place to assist in accessing services.

Partners in Recovery supports people with severe and persistent mental health issues, along with their carers and families, by facilitating multiple support services to address their complex care needs and improve their wellbeing.

#### **Supporting individuals needs**

Partners in Recovery works together with people to:

- access clinical services appropriate to their needs
- access community support and related services
- coordinate services to meet their needs
- encourage a journey of recovery.

#### **Supporting transition to National Disability Insurance Scheme (NDIS)**

Partners in Recovery will assist program participants with:

- determining eligibility for the NDIS
- supporting the application process
- implementing a participants' NDIS plan
- continuity of support for all Partners In Recovery participants during the NDIS transition phase, regardless of eligibility.

#### **Who can refer?**

Individuals, family, friends, health professionals, agencies, hospital and health services who have consent of the person. A GP referral is not a requirement of the program.

#### **How to refer**

For more information or referrals to the Partners in Recovery program contact the Brisbane South Central Intake team on **07 3441 3010** or complete a Partners in Recovery Referral form available at **bspnhn.org.au** and fax to **07 3299 3713** or via clinical practice software.
